(to be printed, signed, scanned and attached as a ".pdf" file in the submission system)

Manuscript Title:

I/we certify that I/we have participated adequately in the intellectual content, conception and design of this work or the analysis and interpretation of the data as well as the writing of the manuscript. I/we take public responsibility for the piece of work and have agreed to have my/our name listed as a contributor. I/we believe the manuscript represents valid work.

I/we further state that we are free of any personal, or business, association(s) that could represent a conflict of interest regarding the article submitted, and I/we have respected the ethical principles underpinning the research. I/we also accept the introduction of changes to the manuscript by the journal editors. I/we state that if present, conflicts of interest are explained in the manuscript and in the cover letter.

I/we certify that all the data collected during the study has been presented in this manuscript and that no data from the study has been or will be published separately. I/we attest that, if requested by the editors, I/we will provide required data/information and will cooperate fully in obtaining and providing the data/information on which the manuscript is based for examination purposes by the editors or their assignees. Financial interests, either direct or indirect, that exist or may be perceived to exist for individual contributors in connection with the content of this paper have been disclosed in the cover letter. All sources of external support have been mentioned in the cover letter.

The undersigned authors transfer the copyright for this work to the Anatomy Society of the Rio de Janeiro State as the publishing organization that sponsors **Acta Scientiae Anatomica**.

We hereby transfer, assign, or otherwise convey all copyright ownership, including any and all rights incidental thereto, exclusively to **Acta Scientiae Anatomica**, in the event that such work is published by **Acta Scientiae Anatomica**. **Acta Scientiae Anatomica** shall own the work, including 1) the copyright, 2) the right to grant permission to republish the article in whole or in part, with or without a fee, 3) the right to produce preprints or reprints and translate into languages other than English for sale or free distribution, and 4) the right to republish the work in a collection of articles in any other mechanical or electronic format.

We give the right to make necessary changes according to the request of the journal, correspond on our behalf, and to act as the guarantor for the manuscript to the corresponding author.

All persons who have made substantial contribution to the work reported in the manuscript, but are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. If I/we do not include an Acknowledgment, it means that I/we have not received substantial contribution from such persons and that the name of no contributor has been omitted.
